PTA Reports

- Marathon (recap) - Went well. Weather worked out in the afternoon and thank you to all the volunteers that stepped up with the time change. Suggestion was made that next year we have a set rain date instead of moving to the afternoon. Pep rally went very well and 6th grade enjoyed their time. Winning class was Mrs. Samsonik who was rewarded with grab bags and extra recess time. Cory Brown set up a pop up tent that worked well outside; we should do this again next year. Additionally, a suggestion was made to include preschool with the regular Marathon.

- Seton Social (recap) - A great time was had by all! 62 people total including 15 new families attended. We collected \$200 cash \$600 in gift cards.

- Parent Buddy - 31 new families, 4-5 families from last year (since we didn't have the program). We currently have 17 parent buddies who are in contact with the new families. The suggestion was made to implement a parent buddy as soon as a family enrolls and not to wait. We will recruit now for parent buddies for next year in order to match up with new families that come in over the summer.

- B&N Book Fair - will be held this Friday from 2-7pm. Mrs. Bell will be hanging artwork upstairs. Crossword puzzles will be the students' tickets for the raffle. Dress down passes will be handed out. Guest readers will be at B&N. Teacher recommendations for books will also be at B&N.

- Seton Scoop - Jen Burns has volunteered to run the Scoop for Grades 3-6. Artwork can be submitted from Grades K-2.

- Playground Committee - The committee would like to have 2 new play houses built for the playground. An email will go out asking for supply donations. On the basketball court (older kids portion) the committee would like to paint some games - four square, etc. The committee will contact Scouts to help in the spring and have this be a service project.

- BLAST - will be asking liaisons to ask each family for \$20. Suggestion of sending a return envelope right with the paperwork as Joline did last year.
