

October 3, 2018 PTA Meeting

**Event Recap Form-** Sheila, we are bringing back the recap form, will create a new file in the google drive for each event. The volunteer coordinator will remind event coordinator to fill it out each week.

**Marathon-** pushed back due to weather. 12-2 instead of 9-11. Patty will send out an email Blast tonight.

**Breakfast-** scheduled, everyone is good to go. RSVPs rolling in. They would like to set up the night before and can check with the office to be sure there are no conflicts.

**Sixth grade retreat-** next Thursday to Friday.

**Seton Social-** flyer out- correspond with BLAST. Hoping to pull in new families, will tie in with BLAST.

**Parent Buddies-** There are a total of 27 new families, 17 parents stepped up for one or two families each. The buddies will let them know of new events, offer to accompany/meet them etc. Responsibilities are outlined in documents on the website

**Barnes and Noble book fair-** considering not holding it given the funds we already have to spend and they current timing. There may be other uses for the books and items. We will hold it. Looking for a new volunteer to chair (Sheila will contact Ann)

**Run club-** beanies are in, had to cancel two weeks due to weather, added one make up.

**Basketball-** need a coordinator, going to try put an ad in the bulletin, still lots of teams, we have stalled the program because of decisions about the fees. Last year all registrations due October 20, we are getting close to the deadline and are behind. Looking at other schools for gym time.

**Basketball Sub Committee:**

Costs and Findings: Harley charges \$2100 to have practice space 2 nights per week, they billed us for two years last year. Created a 2k unexpected charge from Harley. So we aren't paying as much as it appears from last year's budget; Uniforms: Seton owns, there were more kids, so we had to purchase more. The uniforms are \$100 each from Valenti and they needed 21, there was also \$1100 for little angels pinneys. \$3400 to Diocese for registering the team. We spent \$93 per kid, we collected \$80 for Seton students and \$100 for non Seton students, OLOL charges \$160 for CYO. \$50 for Little Angels, at the court where LA practiced hoops were too high, we got kicked out twice bc of conflicts.

Recommendations: We should to change or increase the prices for little angels to \$30 but no family cap, CYO per kid \$100/\$120. Unanimous vote, no looking into charging for games, too much of a challenge.

**Presidents report:** Discussion about families that are considering leaving- if you catch wind of it make a comment to Danielle or Patty, reach out to their support groups to move to be more supportive and reaching out to those individuals. In addition, asking liaisons to contact Daniele or Patty when they hear rumors that are causing anxiety or worries amongst the families. We hope to work together on an individualized approach to communication for each situation.

**Treasurer-**

Pass the budget: Added Fall Social and took out After Care, approved. Yay Sheila!!

We did find an online option for PTA donations. For marathon, we can't track it per kid. We're going to activate the link and Sheila will work to figure out ways we can still use it to collect donations/PTA funds.

All online forms on the website.

**Volunteer Coordinator Reports:** Wants to offer parent coffee and volunteer sign up during teacher conferences.

**Seton Spirit wear-** Shannon Hansford proposed doing Seton Spirit wear as a fundraiser. Response was positive and we will move forward with the vendor Shannon uses and Shannon will coordinate.
