- Golf tournament - We are looking for several individuals to take on small jobs for the golf tournament. For example the golf hole in one, food ,etc.

- Website is coming along. We are in a 'soft' launch. Teachers were trained on their teacher pages and in the future we can look for the teacher pages to be more uniform.

- Patty has planned the teacher retreat for next Friday.

- Registrations are still coming in.

Yearbook - We are using a new company to print the yearbooks this year which will move our deadlines all forward as we have to get them a proof 5 weeks before we receive them. The yearbook ad form went out in the green envelope and the deadline is firm at April 12.
