Program Info:

Get ready to sing, dance, and act your way into a new school year! **Music Theatre Club Kids (MTC)** offers a **process**-based training in the performing arts for your Young Actors;

"How and why do we perform?" Our Young Actors will learn vocal technique, combinations, and basic tactics to use in the performing arts. The program will conclude with a free showcase performance of short pieces!

Perfect for preparing for our spring musical!

At auditions, students will be taught an excerpt from a song to sing & a short dance combination. *Students do not need to prepare anything before attending auditions.*
